

McNeilus
An Oshkosh Corporation Company

EVERY WELD. EVERY FIN.
EVERY DETAIL DRIVES PERFORMANCE.

OSHKOSH

McNeilus mixer drums are all about performance: heavy duty, high efficiency, long haul performance. From the people who build your mixer to the parts and components, we settle for nothing but the best.

A STATE-OF-THE-ART PRODUCTION FACILITY ON WHEELS.

Manufacturing processes optimized over tens of thousands of drums.
The result? A drum that maximizes performance and productivity.

QUALITY THAT SAYS, "BRING IT ON."

STRUCTURAL – 100% solid seam welds

REDUCED WEAR – Strategically placed wear plates

ACCESSIBILITY – Large rectangular hatch

STRENGTH – AR200 abrasion-resistant steel

CARBON STEEL PROTECTS THE FINS. THE FINS OPTIMIZE THE FLOW.

A pair of $\frac{3}{8}$ -inch high carbon steel wear rods are engineered into key areas of the primary mixer fins. These deflect the flow of concrete away from high wear areas to provide increased life and more productivity.

Carbon steel wear-rods deflect the concrete flow

The legendary McNeilus drum is made for long life and maximum payload.

The fin design is form-pressed throughout the entire drum for an accurate spiral and faster discharge.

THE McNEILUS M80-SERIES DRUM

In regular and paver configurations, delivers enhanced productivity with an increased capacity, a low mass forward design (LMFD), and more efficient mixing.

M80 SERIES DRUM

THE M80-SERIES AT A GLANCE

M80 83-inch drumhead

M80X 83-inch drumhead with head impeller

M80P 83-inch drumhead with 46-inch paver configuration

M80PX 83-inch drumhead with 46-inch paver configuration and head impeller

EFFECTIVE WASHOUT:
Added larger weep holes in key areas to enhance washout.

FINS:
Legendary formed fins for accurate spirals and unmatched performance.

VOLUME:
11 ½ yard volume in the space of a traditional 11 yd drum.

DRUM DESIGN:
Patent pending drum design moves the center of gravity down and forward.

HEAD IMPELLER OPTION:
Enhances mixing performance when using special mix designs.

WE'VE GOT YOUR BACK. PERIOD.

We pride ourselves on providing quality OEM mixer parts and replacement drums – on time and at a reasonable price. In addition, we also have parts and replacement drums for non-McNeilus products that will bring new life to your entire fleet.
